

Opportunities available for Anaesthetists (SS or VMO 2.5 FTE available) Manning Rural Referral Hospital, Taree NSW REQ108611

We are seeking enthusiastic and capable Specialist Anaesthetists to join our committed team of VMO / Staff anaesthetists to provide quality anaesthesia and perioperative services to a diverse and appreciative community in a highly desirable coastal location.

About our Department:

- We are expanding to meet current and future needs, creating opportunities to provide clinical leadership in subspecialty areas such as Perioperative Medicine, Obstetric Anaesthesia, Acute Pain and Regional Anaesthesia.
- We have a well established relationship with the University of Newcastle Department of Rural Health and teach into Year 3-5 of the Joint Medical Program. Appointment as a conjoint academic is encouraged (level commensurate with qualifications and experience).

About the Applicant:

- Must have a medical degree registerable with AHPRA
- Fellowship of the Australian and New Zealand College of Anaesthetists (ANZCA) or equivalent, provisional Fellows within 6 months of completion will also be considered.
- We are also seeking to appoint a Supervisor of Training to coordinate our JCCA, SRMO and undergraduate anaesthetic training program.
- Interested in opportunities to participate in research, simulation, medical education and clinical governance activities.

Why apply:

- This is a genuine opportunity to accelerate your clinical, academic and professional career in a desirable location in both the public and private sectors whilst remaining close to a major city, Newcastle.
- We are building our team to ensure that we provide safe and contemporary anaesthetic services 24/7, whilst ensuring work-life-balance and optimal wellbeing so you enjoy the beautiful region.
- Manning Hospital has undergone significant redevelopment following a \$140 million investment with a further \$40M planned. We just replaced all our anaesthetic machines so you will be working with the latest equipment.
- Manning Hospital has 180 beds with all the specialties you would expect of a Rural Referral Hospital, providing you with a diverse mix of elective and emergency cases across the spectrum of ages and acuity.
- Manning Hospital serves the local communities of Taree, Forster, Tuncurry and surrounding district, approximately 100,000 people over 3,732 km².

Taree has everything you need and is located in the beautiful Manning Valley in the Lower Mid North Coast of NSW. We are just 3 hours north of Sydney, 2 hours north of Newcastle and 1 hour south of Port Macquarie. Our area is home to some of the best beaches in Australia and surrounded by magnificent national parks. Our family friendly community embraces diversity and offers something for everyone.
