Welcome

On behalf of the ACT Regional Committees of ANZCA and the ASA, we invite you to the Combined Art of Anaesthesia meeting to be held in Canberra over the weekend of September 23 and 24, 2017.

This year the meeting will be held at the Australian War Memorial, an iconic Canberra building and one of the world’s great museums, renowned for its extensive collection of art, relics, photographs, film and sound commemorating the sacrifice of Australians at war.

This year we are extremely fortunate to have two international guest speakers join us for the meeting, Professor Girish Joshi from the UT Southwestern Medical Centre in Texas, and Dr Ben van der Griend from Christchurch Hospital. Professor Joshi will deliver two topical presentations in the field of ambulatory anaesthesia – an area in which he is a world leader. Dr van der Griend will demystify key issues that can make paediatric anaesthesia daunting for the “occasional” paediatric anaesthetist and teach us how to tame little monsters! We are also delighted to welcome our interstate speakers Professor Andrew Davidson, Dr David Liley, and Dr Peter Schuller, as well as our fabulous local researchers, to the meeting.

ANZCA President Professor David A Scott and ASA President Associate Professor David M Scott will open the Saturday program with engaging presentations on the use of frozen blood in combat zones, and negotiating professional minefields respectively. The Saturday program will close at 4.50pm to allow delegates enough time to move out to the Pool of Reflection for the very moving Last Post ceremony.

On Sunday morning, there will be two emergency response workshops, Can’t Intubate Can’t Oxygenate, and Anaphylaxis Management. The workshops will help those who wish to complete mandatory CPD emergency response activities and will be held at Calvary Hospital in Bruce. For those preferring a more leisurely day on Sunday, we have organised a private tour of the War Memorial by Wing Commander Sharon Bown, followed by wine tasting and lunch at the nearby award-winning Mount Majura Vineyard.

We welcome everyone to the meeting and encourage all to spend some time exploring both the War Memorial and Canberra’s Floriade flower festival. Floriade is Australia’s largest celebration of spring and showcases one million flowers in bloom throughout Commonwealth Park. Bring the family, stay for the weekend and enjoy a unique experience in the nation’s capital.
