Scan and Ski, 2018
Regional ultrasound scanning workshop for peripheral nerve blocks
July 13-14, Thredbo Alpine Hotel
It is with great pleasure that the ACT Regional Committees of ANZCA and the ASA invite you to the 2018 Scan and Ski Workshop. The workshop will be held from Friday July 13 to Saturday July 14 at Thredbo Alpine Hotel in the Kosciuszko National Park.

Dr Ross Peake will convene the workshop, which features world-renowned ultrasound specialists Dr Alwin Chuan, Dr Peter Hebbard, Dr Andrew Landsdown and Dr Brad Lawther. The workshop will run over two days, using the morning and evening sessions for hands-on ultrasound scanning and instruction, and leaving the middle of each day free for skiing or sightseeing in the beautiful NSW Snowy Mountains. The workshop will cover upper limb blocks, lower limb blocks, trunk and spinal blocks, among other topics. Participants in the ANZCA Continuing Professional Development Program can claim the workshop under the Knowledge and Skills category (workshops – two credits per hour).

The workshop is limited to a small group only to ensure maximum time with the instructors and equipment, so register early to avoid missing out. An early bird registration fee is available until January 19. The registration fee includes welcome drinks on Thursday July 12, attendance at the workshop on Friday 13 and Saturday 14 (including afternoon refreshments) and a workshop dinner on Saturday 14.

Accommodation is not included, however Thredbo Village has a vast range of accommodation options including at the workshop venue, Thredbo Alpine Hotel, which offers double/twin rooms or apartments. If you wish to stay at the workshop venue it is advisable to book early as this falls during NSW/ACT school holidays.

Information about accommodation, skiing, lift tickets, ski classes, baby-sitting etc is available at the Thredbo website, www.thredbo.com.au. This is the last weekend of the ACT school holidays so why not make it a worthwhile break. Partner rates are available for the Saturday night dinner and afternoon refreshments so you can bring the family!

Event details and online registration can be found on the ANZCA ACT web page, or register by completing the form overleaf and returning to Kym Buckley.

I look forward to welcoming you to our workshop in 2018.

Dr Ross Peake
Convenor
