

Wagga Wagga Base Hospital

Wagga Wagga Base Hospital (WWBH) is one of the busiest rural hospitals in NSW with 300 beds over 40,000 emergency presentations, 1,100 births and approximately 11,000 operations each year. With the new hospital being built in 2016. WWBH provides medical, surgical, paediatric, obstetric, rehabilitation, and mental health acute and sub-acute inpatient services. Specialties include cardiovascular, gastroenterology, renal medicine, obstetrics, orthopaedics, psychiatry and paediatrics.

Known as the hub of the Riverina, Wagga Wagga has recently been recognised as one of the 'top family friendly' cities in Australia;

Specialist in Anesthesia

Live and work in one of Australia's most family friendly cities

We are inviting applications from Visiting Medical Officer Anaesthetists to work 0.4FTE or 192 sessions per year, providing 4 sessions per week for each 12 month period.

There is the potential to also gain a separate Visiting Appointment with the private hospital based in Wagga Wagga, Calvary Riverina Hospital.

We require our new Anaesthetists to be experienced leaders with a passion for providing effective anaesthetic services in a regional environment.

Successful applicants will:

- Have fellowship of the Australian and New Zealand College of Anaesthetists or equivalent
- Be registered as a specialist in Anaesthesia with the Medical Board of Australia
- Have the ability to work effectively as part of a multidisciplinary health care team.
