

**Position Number: Pool Ref 00500088**

**Position Profile:** The successful applicant provides anaesthesia care to paediatric patients under the supervision of Anaesthesia Consultants and contributes to the Department of Anaesthesia as a senior trainee completing the provisional fellowship year or undertaking post fellowship training. Two types of positions are offered:

- 6 month position in Anaesthesia.
- 12 month position comprising 8 months in Anaesthesia and 4 months in Paediatric Critical Care.

**Area Profile:** Perth Children's Hospital (PCH) is a new purpose built 298 bed specialist paediatric hospital and trauma centre providing outstanding inpatient, outpatient and ambulatory medical care to children and adolescents up to 16 years of age. Located on the Queen Elizabeth II Medical Centre site in Nedlands, Perth, the hospital became fully operational in June 2018 and features world class facilities specifically designed around the needs of children, adolescents, families and carers of Western Australia.

With state of the art technology PCH offers an extensive range of specialist paediatric medical and surgical services supported by our 2,500 strong workforce of doctors, nurses, allied health and health science, diagnostics and medical imaging technologists, support services and research and training areas. PCH is the only dedicated tertiary paediatric hospital in Western Australia and operates under the Child and Adolescent Health Service (CAHS) providing services throughout the community within Perth metropolitan area; specialized state wide services; as well as providing support to other hospitals and health services across the state.

For further information about CAHS and it's services please [click here](#) and read the attachment About CAHS.

**Application Instructions:** Applicants are requested to apply online via [MedJobsWA](#) (Please note: Applicants must have a current, valid email address in order to apply online. This email address will be used for communication with applicants). Emailed applications will not be accepted.
