

Staff Specialist Anaesthetist 1.0 FTE

Be part of a team dedicated to creating and safeguarding an environment in which excellence in clinical care will flourish.

- Exceptional professional development opportunity
- Access to salary packaging (to increase your take home pay)
- Benefits of a regional lifestyle <http://www.visitgriffith.com.au>

At Murrumbidgee Local Health District (MLHD) we provide a range of public health services to the Riverina and Murray regions of New South Wales.

Griffith Base Hospital is a 117 bed C1 peer grouped District Hospital providing a range of acute specialist services.

Each year there are approximately 19,500 emergency presentations, 2,500 operations and 540 births.

With a population of approximately 26,000, Griffith comprises a rich blend of cultures and traditions. Today more than 70 nationalities add to the cultural tapestry of the region.

Reporting to the Director Medical Services at Griffith Base Hospital you will provide high quality anaesthetic services, clinical leadership and operational management of anaesthetic services to the patients of Griffith Base Hospital.

Successful applicants will:

- Hold fellowship of the Australian and New Zealand College of Anaesthetists or equivalent
- Be registered as a specialist in Anaesthesia with the Medical Board of Australia
- Have the ability to work effectively as part of a multidisciplinary health care team.

Listen to our medical team share their career and lifestyle experiences at [Griffith](#).
