VMO Anaesthetist required

Hillcrest Rockhampton Private Hospital, QLD

An opportunity exists for a VMO Anaesthetist to establish an independent private practice to provide high quality anaesthesia services to private inpatients of Hillcrest Rockhampton Private Hospital (HRPH).

Located on the Central Queensland coast, HRPH is a busy 66-bed regional private hospital specialising in orthopaedics, general surgery, urology, bariatric surgery, oral surgery, ophthalmology, mental health, gynaecology, IVF and general medicine. The Hospital has 4 operating theatres including a new state-of-the-art Stryker Orthopaedic i-Suite, 3 stage recovery and a 4-bed high dependency unit.

You will be responsible for working closely with the Hospital's accredited VMO Surgeons to provide high quality clinical care to patients of the Hospital. You will also be required to participate in the on-call roster.

An attractive relocation package is available to the successful candidate.

Minimum Requirements:

Candidates must have FANZCA, specialist registration with AHPRA and eligible for an unrestricted provider number that attracts medicare benefits.

For a confidential discussion, please contact:

Fiona Hebbard, CEO, Hillcrest Rockhampton Private Hospital
