

Consultant Anaesthetist

Taranaki Base Hospital, New Plymouth

Permanent, full time, 1.0 FTE

- *Come and live in the region that was named the world's second top region to visit in 2017 by Lonely Planet!*

The Department of Anaesthesia and Critical Care is looking to recruit a new consultant Anaesthetist, to meet both the rising demands for our services as well as planning for the future. Our team of 21 anaesthetists provides a wide range of generalist services for all age groups, as well as intensive care cover. There are opportunities for those interested in acute, chronic pain management or research as well.

Applicants will need to be well rounded practitioners who can do a wide range of basic anaesthesia services and be good team players. Ability to participate in daily and after-hours ICU cover (supported by two fellows of CICM) is a requirement. There are 6 operating theatres and a recently opened interventional radiology suite. Department has an anaesthetic training programme with 6 first year anaesthetic registrars.

We host medical students from the University of Auckland. You will enjoy the benefits of teaching and supervising years 5 and 6, while having access to the University's up to date resources.

The Taranaki District Health Board is a large organisation (2,100 staff) operating in the exciting, changing health sector.

In Taranaki, it is easy to achieve an enviable lifestyle without having to compromise your career path. The region's amazing mountain, rivers, lakes, fantastic coastline and outstanding surfing and tramping opportunities, masses of parks and gardens, as well as a major events calendar, make it a great place to live and work.
