

Staff Specialist Anaesthetist

Medical Services

- ✓ Do you have experience in obstetric anaesthesia?
- ✓ Are you innovative and committed to quality service delivery and patient centred care?

The West Gippsland Healthcare Group (WGHG) is an exciting and progressive organisation, providing acute care, community health and aged care services to Baw Baw Shire and the surrounding West Gippsland region. A rewarding opportunity exists to join our organisation as a Staff Specialist Anaesthetist. Reporting to the Chief Medical Officer, our ideal candidate will have:

- Fellowship of the Australian and New Zealand College of Anaesthetists (FANZCA).
- Specialist registration with the Australian Health Practitioners Regulation Agency (AHPRA).
- Significant experience in adult, obstetric and paediatric anaesthesia.
- Experience in working in a large public secondary or tertiary centre.
- Current entitlement to work within Australia.

About the West Gippsland Healthcare Group

The West Gippsland Healthcare Group is a customer focused health organisation providing acute medical and surgical, obstetric, emergency, residential care and community health services to 47,000 people in the rural, urban residential, agricultural and industrial areas located within the Baw Baw Shire and beyond. The administrative headquarters are located at West Gippsland Hospital in Warragul, approximately 100kms east of Melbourne. We are committed to the provision of high quality, integrated health care that meets the changing needs of individuals and our community, and have full accreditation status from the Australian Council on Healthcare Standards.

Working with us

All appointments with the West Gippsland Healthcare Group are subject to the satisfactory return of professional reference checks and a National Police History check. A six month probationary period applies to all new appointments. The West Gippsland Healthcare Group is an equal opportunity employer.
