

The Faculty of Pain Medicine  
Continuing Education and Quality Assurance Committee  
warmly welcomes you to this Refresher Course Day

# ‘Unravelling the chaos of pain’

Friday 1 May 2009  
Grand Ballroom  
Hilton Cairns

The program is headlined by our international guests, Professors Andrew Rice, Steven Passik and Rollin Gallagher, and complemented by national leaders in neuroradiology, pain and addiction medicine.

Pain Medicine may sometimes be seen as chaotic and I hope that this shared educational forum can help promote a little more order in your practice. The lush environment of Cairns provides a beautiful and action-packed setting for this meeting. Enjoy.

Dr Jason Ray  
Convenor
