Module Completion Form (Notes)

You must submit documentation verifying completion of the various Modules to the College as each component of training is completed. Modules are completed once a Trainee has confirmed with the Module Supervisor that he or she has:

- Completed specified clinical experience;
- Achieved "Core Aims" stated in the module curriculum; and
- Completed all module-specific assessments.

To ensure that your training is recorded promptly and to avoid any delays in your training progression please submit your module completion form as you complete each module.

Some important facts relating to specific modules:

1. Detailed information on each module is available on the ANZCA website at <http://www.anzca.edu.au/trainees/modules-emac-emst>.
2. You must complete Modules 1 and 3 and at least one of the Modules 4 through 10 before starting Advanced Training.
3. Module 1: You must complete a minimum of 52 weeks clinical anaesthesia experience before obtaining the 'sign-off' of this module.
4. Module 2: You must have completed at least 26 weeks anaesthesia training before the date of sign-off. This module can now be completed during Advanced Training.
5. Module 9: Clinical experience in intensive care must be gained in an accredited Intensive Care Unit. Eligible IC Units are listed on the College website at <http://www.anzca.edu.au/trainees/rotations-training-sites>.
6. Module 11: Application and approval forms for Module 11 are separate. The process and forms can be found at <http://www.anzca.edu.au/trainees/modules-emac-emst/curriculum/formal-project>.
