# INVITATION FROM THE CONVENORS

## To our colleagues in the healthcare industry,

Join us in 2026 for the Australian and New Zealand College of Anaesthetists (ANZCA) Annual Scientific Meeting (ASM), from 1-5 May at the New Zealand International Convention Centre (NZICC), Auckland New Zealand.

In 2026 the theme of the ASM is "Herenga waka, herenga tāngata: From home to home". Our 2026 designer, Chloë Reweti (Ngāi Te Rangi, Ngāti Ranginui, Ngāti Porou), and cultural advisor, Tui Blair (Ngāti Whātua), explain 'a herenga waka is a physical place where waka are anchored at a safe harbour or resting point. The herenga waka reflects a space of connection and safety for voyaging waka. The hospital is a welcoming space where individuals come and go as needed. Patients arrive seeking care and healing, families offer love and support, and healthcare professionals dedicate themselves to guiding others through their journeys. This ebb and flow reflects the dynamic nature of a herenga waka, symbolising the continuity of life and the interconnectedness of those who pass through its doors.'

The meeting will be held in Tāmaki Makaurau, Auckland, New Zealand. Tāmaki Makaurau is now the perfect mix of city sophistication and a stunning natural playground. World-class shopping and dining experiences are never too far from beautiful scenery that includes harbours and islands, volcanic cones, native bush and black-sand beaches – providing a fitting backdrop for our meeting.

As a bi-national college, the Australian and New Zealand College of Anaesthetists is excited to host the 2026 ASM in New Zealand. New Zealand is host to a variety of unique Māori cultural experiences and Auckland is well served by Auckland Airport domestically and internationally, with frequent and extensive links to major cities across Australia as well as several other overseas destinations.

We're thrilled to present you with an array of exciting opportunities to partner with ANZCA at the 2026 ASM. As one of the largest specialist medical colleges in Australia and New Zealand, our vision is to be a recognised world leader in training, education, and research. Our meeting is one of the primary ways we actualise this vision, and we are reaching out to potential sponsors like you to join us in achieving our goals and making a meaningful impact.

The program will showcase internationally recognised keynote speakers including: Professor Irene Tracey, University of Oxford, United Kingdom; Professor Mary Ellen McCann, Harvard Medical School and Boston Children's Hospital, USA; Professor Timothy Walsh, University of Edinburgh, Scotland; and Professor Alicia Dennis, University of Melbourne, Deakin University, Joan Kirner Women's and Children's Hospital, and Peter MacCallum Cancer Centre in Victoria, Australia.

Along with other excellent speakers, these highly esteemed clinicians and scientists have an inexhaustible wealth of knowledge, engaging personas and a large following. Our international speakers are complemented by a myriad of diverse local speakers. The scientific program is enhanced by an extensive collection of workshops and small group discussions which promise high levels of engagement from our delegates.

With a plethora of educational offerings and numbers exceeding 1800 in-person in Cairns 2025, we're anticipating a high number of delegates attending in 2026 to learn with one another and hear from the healthcare industry.

Sponsors at the 2026 ANZCA ASM gain exposure to thousands of specialists and trainees in anaesthesia and pain medicine who attend. Sponsorship also allows alignment of your brand with our values of professional standards, patient safety and high-quality education. We look forward to continuing to strengthen our connections with you in Auckland, New Zealand.

On behalf of ANZCA, the 2026 National Organising Committee welcomes you to come and explore the advantageous opportunities with us in Auckland, New Zealand.

## Meeting location rationale

We know sometimes it can be challenging for our healthcare industry partners to attend meetings overseas or in regional cities, and that this may pose an issue for compliance. We have written a rationale outlining our reasons for choosing the locations that we do. [Contact us](#) for access. Please download the letter to send to your compliance organisations or attach in your management reports should you need to.

# ANZCA ASM 2026

## The event

Now in its 32nd year, the ASM is designed for specialists and trainees in anaesthesia and pain medicine. It's known as an exceptional meeting with an outstanding academic and social program, attracting internationally acclaimed speakers. The dynamic and dedicated team of anaesthetists and pain medicine specialists on the organising committee are developing a meeting not to be missed. The ANZCA events team will be available to you to provide excellent stakeholder engagement, marketing and customer service.

## The venue

New Zealand International Convention Centre (NZICC) is a brand-new, groundbreaking centre built on New Zealand's strong foundations of a warm welcome, world-class service, and a 'can-do' attitude and has a strong partnership with tangata whenua (the people of the land).

Manaakitanga in its many forms: 'mana-a-ki' (the power of language), 'mana-aki-aki' (the integrity of conviction), and 'mana-ki-te tangata' (a selfless care for people) is the legacy Apihai Te Kawau and his descendants are charged with and together celebrate the origins of Auckland City.

New Zealand's culture of hospitality and giving the absolute best to their visitors is found at the heart of everything they do. The new, functional and flexible building combined with access to Auckland's leading knowledge centres, accommodation and entertainment options will create the optimum setting for an excellent ASM. At the NZICC, their 'nothing is impossible' Kiwi character will provide the perfect environment for innovative ideas, new collaborations, fresh conversations and positive knowledge exchange to flourish, coupled with OnDemand access for delegates after the ASM, offering excellent opportunities for you to connect with clinicians, and share your flourishing ideas and vast array of products.

## Meeting promotion

A professionally planned and executed marketing strategy will ensure that the benefits of supporting the 2026 ANZCA ASM are widely known across Australia and New Zealand. This includes:

- Extensive direct mail campaigns.
- Website and electronic promotions.
- Advertising in professional journals.
- Social media campaigns including links with and to online medical education.
- Use of hospital, private practice, and international and national speaker networks.
- Active promotion at all ANZCA meetings held in the months prior to the ASM.

# ANZCA ASM 2026

## Why you should sponsor the 2026 ANZCA ASM:

The 2026 ANZCA ASM provides a unique educational environment dedicated to the exchange of up-to-date scientific research, training and the opportunity to share and exchange ideas with those people most skilled in the use of your products. If anaesthetists, intensivists, pain medicine specialists, trainees and allied medical personnel are part of your target market, there's no better way to reach all of them at one meeting than by supporting the ANZCA ASM.

Early confirmation of your sponsorship of the meeting will ensure an even higher level of exposure. An extensive promotional campaign including advertisements, direct mail campaigns, email broadcasts and web exposure will be implemented in the lead up to the ASM and the opportunity exists for your company to be represented as a key supporter of the meeting well in advance of the actual dates.

## The key benefits of sponsorship include:

- The opportunity to promote your name, to support your brand and maintain a high profile among specialists before, during and after the event.
- ASM delegates are keen to improve their scientific, technical and educational knowledge. Aligning your company with this comprehensive educational experience demonstrates your commitment to assisting their professional development and further education.
- An opportunity to consolidate corporate relationships and expose your staff to their key markets.
- Interacting with delegates face-to-face during morning, lunchtime and afternoon tea breaks as well as the healthcare industry reception on Sunday evening.
- Benefiting significantly from exposure to a keenly interested, relevant, and above all, influential audience in an educational environment away from the competition of everyday distractions.
- An increase in online exposure and extended delegate reach through the dedicated ASM website, ANZCA's many social media channels (Bluesky, Facebook, Instagram and LinkedIn), as well as exposure on our supporting ASM OnDemand platform.

The ASM sponsorship team would be delighted to meet with you to discuss these opportunities for promoting your products or services.

# ANZCA ASM 2026

## Sustainability at ANZCA events

As part of the college’s commitment to environmental sustainability, we’ve eliminated printed collateral and single use plastic. We no longer print registration brochures, handbooks or pocket programs for the ASM. The volume of paper to produce the brochures and handbooks for one ASM equates to approximately 880 reams of paper, which is more than 50 trees and more than an acre of forest.

As a sponsor of the 2026 ANZCA ASM we encourage you to take responsibility for your own footprint. This includes eliminating single use flyers/brochures/signage, recycling all packaging where possible and considering what you bring in and taking all items and material back to your office.

Further information on sustainability at ANZCA events can be found on the [ANZCA website](#).

## ASM STATISTICS

# PAST SPONSORS

*"The conference in Brisbane presented a valuable opportunity for us to engage with our customers and be a part of an excellent education program. The open layout of the exhibition hall facilitated engaging conversations with our team and delegates. Well organised, well attended and recommended. We will definitely be back in 2025."*

Edwards Lifesciences

*"A return to normal customer engagement in the Industry Exhibition space gave our associates the opportunity to have very creative and in depth clinical discussions. The booth was very busy with several education sessions and there was lots of interaction through most of the scheduled breaks. It was a very valuable conference that provided many follow up meetings post event. We will definitely be joining in 2025."*

BD

*"Attending the 2024 ANZCA ASM was an exhilarating experience with an exceptionally positive atmosphere, unlike many previous events. The engagement with all attendees was remarkable, and our company left with a strong sense of accomplishment. We extend our gratitude to the organizing committee for their outstanding work and eagerly anticipate the 2025 ASM."*

# SPONSORSHIP OPPORTUNITIES

We value the long-standing relationships we have in the healthcare industry and are excited to invite you to be part of the 2026 ANZCA ASM. Sponsors can choose to be a gold or silver sponsor, or an exhibitor, receiving acknowledgments, benefits and entitlements applying to level of sponsorship, or contribute through a range of other targeted exhibition, educational and branding opportunities offered both in-person and online. All prices are in Australian dollars and are inclusive of the Australian Goods and Services (GST) tax.

Upon receipt, exhibition space will be allocated, and written confirmation sent to you, together with an invoice for the cost of your booth(s).

If you're unable to attend in person, give us a call to discuss opportunities within the ASM onDemand content which is available from around 12 May 2026 for 12 months post the meeting.

In addition to the listed options, we welcome the opportunity to discuss your individual sponsorship requests and can create a bespoke package to best accommodate your company's marketing and sponsorship requirements.

Please contact the ANZCA Sponsorship and Partnership Managers on +61 3 9093 4957 or [email](#).
