Venue information

The conference will be held at the National Convention Centre, Constitution Ave, Canberra. The trade area will be set up in the substantially sized Grand Ballroom. The industry area will be co-located with the catering ensuring there is a high volume of anaesthetists engaging with the trade exhibitors. We'll provide tables and chairs in the room but no partitions, leaving you to make arrangements for your own displays. The availability of display areas will be on a first come basis (with the exception of major sponsors).
