

SECRETS OF THE SEA

Join us for an unforgettable ocean-inspired evening celebrating the achievements of the ANZCA Clinical Trials Network. Delegates will enjoy a delicious entrée on arrival on the deck overlooking the marina, before moving inside for main and dessert. The evening will also include the Emerging Investigators Prize announcement and door prizes in a relaxed underwater-themed setting.

Date/time: Saturday 22 August, 7-10.30pm

Location: Southport Yacht Club

Cost: Inclusive of the delegate registration fee.

Guest tickets can be purchased at time of registration for \$A165 per person.

For those wanting to dress up (entirely optional), prizes will be awarded for the best individual and team costumes. Whether you come as a pirate, deep-sea explorer, mermaid, sea creature or simply add a touch of nautical-themed attire, creativity is always welcome.

Fancy dress guidelines

Realistic-looking weapons, sharp objects or projectile props are not permitted. All costume props must clearly be fake and safe. Delegates must comply with ANZCA's code of conduct policy at college events, courses and meetings.
