

# Diving and hyperbaric medicine training agreement

## Background

The Australian and New Zealand College of Anaesthetists (ANZCA) is committed to ensuring that all vocational training in the ANZCA Advanced Certificate of Diving and Hyperbaric Medicine is undertaken in an appropriate environment and that all parties; ANZCA, its representatives and trainees, understand and are informed of their rights and obligations.

The ANZCA Advanced Certificate of Diving and Hyperbaric Medicine (Ad Cert DHM, hereafter “the Dip Ad DHM”) is a post-specialisation qualification in Australia and New Zealand. Award of the certificate requires completion of DHM training requirements and a specialist qualification acceptable to the ANZCA Council, current medical registration and declaration of fitness to practice.

This document sets out the rights, responsibilities and obligations of each party involved.

## Trainee declaration

1. I will endeavour to achieve the learning outcomes and undertake all components of the training program as set out in the ANZCA Advanced Diving and Hyperbaric Medicine curriculum. I understand that this curriculum is updated regularly and that I need to keep abreast of changes as communicated by ANZCA.
2. In particular, I will develop the necessary skills and attributes associated with the ANZCA DHM clinical fundamentals and undertake the necessary experience required to provide safe, high- quality care to patients.
3. To achieve these objectives, I undertake to set my learning goals for each clinical placement, actively seek the required clinical experience to meet volume of practice requirements and actively participate in self-assessment.
4. I acknowledge that my training each year must be in an ANZCA- approved training site or position and will be supervised appropriately. I agree, when in an ANZCA- approved training site, to undertake the required clinical experience, volume of practice, workplace-based assessments, diving and hyperbaric medicine courses, advance life support course and SPUMS diploma.
5. I understand that I will receive feedback on my performance and will be advised on how best to address any areas that need improvement. I accept that training will require me to move between hospitals and may require experience in rural and/or private practice settings.
6. I understand that ANZCA collects and holds personal data for the purpose of trainee registration, for the administering of the training program and for evaluating my progress. I consent to having this information used for these purposes and as authorised in the ANZCA Privacy Policy. I understand that I may contact ANZCA and request to review the information I have provided.

<sup>1</sup> Note that the term "diploma" used in this handbook, refers to the SPUMS diploma only and should not be used as reference to the ANZCA qualification.

7. I understand that ANZCA applications, training documentation and/ or materials will be provided to me during the course of the training program. I acknowledge that this material is owned by the college, is subject to intellectual property protection and therefore cannot be used by me for purposes other than training without the college's prior approval.
8. I agree to submit all required applications, complete the relevant feedback forms and provide all information required by ANZCA within the time limits or deadlines stipulated by the college. I acknowledge that it is my responsibility to ensure that all time limits and deadlines are observed, including timely payment of all fees and the submission of required documentation.
9. I acknowledge that it is my responsibility to be fully informed and aware of all requirements of ANZCA, particularly Regulation 36 ANZCA Advanced Certificate of Diving and Hyperbaric Medicine, the Advanced Diving and Hyperbaric Medicine curriculum, the DHM-ANZCA Handbook for Advanced DHM Training, and any other rules, guidelines and policies in relation to DHM training. This will include the timely submission of all relevant documentation.
10. I acknowledge that collecting information about patients has important privacy implications. In collecting and using any patient information it is my responsibility to ensure that all privacy obligations are met and any necessary consent obtained. Only de-identified information should be routinely stored. If any identifying information is recorded or other material submitted to the college I will ensure that my, or my hospital's privacy statement, addresses this issue or that my patient has consented.
11. I am aware of and agree to abide by ANZCA's Policy on bullying, discrimination and harassment for Fellows and trainees acting on behalf of the college or undertaking college functions and will not bully or unlawfully discriminate or harass (including sexually harass) an employee of the college, a contractor of the college, a member of the public, a Fellow, international medical graduate specialist or another trainee. I will not victimise another person or subject a person to any detriment because that person has made a complaint under college policies, has brought proceedings under college policies or has, or proposes to, give evidence or information in connection with proceedings under college policies.
12. I undertake to observe all relevant ANZCA policies in relation to training.
13. I undertake to abide by all relevant ANZCA corporate policies in addition to any other policies that may apply at my place of employment.
14. I agree that if I have concerns regarding my training, it is my responsibility to seek to have these addressed. I acknowledge that I can approach and seek appropriate guidance from my supervisors of training, or ANZCA's director of professional affairs (DPA), assessor, operations manager, training, assessment and accreditation or the Chief Executive Officer.
15. I agree and acknowledge that whilst I may seek advice from my supervisors and relevant ANZCA Fellows in relation to aspects of my education and training, my supervisors are not authorised to vary the rules and guidelines for the training program or the policies of ANZCA in relation to the training program. Requests for any change or variation of the guidelines or policies or any extension of time must be made in writing to the DPA Assessor and be confirmed to me in writing by ANZCA.
16. I release ANZCA and its representatives from all claims or liability arising from advice or assistance given in good faith.
17. As a registered medical practitioner, I agree to abide by the professional standards outlined in the professional codes of conduct of the Medical Board of Australia or the Medical Council of New Zealand (as relevant), ANZCA's Academic Integrity Policy, ANZCA's Internet, email and computer use policy and local hospital and health service policies. misconduct (including fraudulent entry into the TPS) and irreverent use of social media are violations of such professional standards.

18. I certify that I am free from dependency on recreational and/ or non-prescribed drugs and have no illnesses that would preclude the safe practice of anaesthesia. I undertake to inform ANZCA if I develop dependence on recreational and/or non-prescribed drugs or if I develop an illness that would preclude the safe practice of anaesthesia. I acknowledge that if I develop any dependence on recreational or non-prescribed drugs or any condition that precludes the safe practice of anaesthesia, this may result in the suspension or termination of my training at any time and prevent my admission to fellowship of ANZCA.
19. I agree to maintain my medical registration and I undertake to notify ANZCA if my medical registration is withdrawn or suspended, conditions are placed on my medical registration or if I receive notice of any complaint to any medical registration authority.
20. I understand that email will be the primary means by which communication is maintained between me and ANZCA and that ANZCA will use the email address I designate as my primary email. I undertake to regularly access my designated primary email account and to ensure that at all times there is sufficient space in the primary email account to allow receipt of emails from the college, even those containing attachments that are several megabytes in size.
21. Failure to abide by any of the terms and conditions or clauses of this agreement may result in a trainee performance review (TPR) being initiated and possible consequences, including my removal from the training program and referral to the appropriate medical regulatory authority.
22. I agree to participate if required in ANZCA's review processes in relation to unsatisfactory performance or progress in the training program, including a TPR. I also understand that I can initiate the TPR if I feel that I have been unfairly assessed or treated.
