Regional ultrasound scanning  
workshop for peripheral nerve blocks

Thredbo Alpine Hotel, Thredbo, NSW  
22-24 July 2021

# SCAN AND SKI 2021

## Regional ultrasound scanning workshop for peripheral nerve blocks

22-24 July | Thredbo Alpine Hotel, Thredbo, NSW

Join us at the 2021 Scan and Ski Workshop from Thursday 22 – Saturday 24 July at Thredbo Alpine Hotel in the Kosciuszko National Park.

The workshop will feature world-renowned ultrasound specialists Dr Alwin Chuan, Dr Peter Hebbard, Dr Andrew Lansdown, Dr Monika Kenig, Dr Katrina Webster and Dr Harmeet Aneja. Hands-on ultrasound scanning and instruction will be held in morning and evening sessions leaving the middle of each day free for skiing or sightseeing in the beautiful NSW Snowy Mountains. The workshop will cover upper limb blocks, lower limb blocks, trunk and spinal blocks, among other topics. Participants in the ANZCA and FPM Continuing Professional Development Program can claim the workshop under the knowledge and skills category (workshops – two credits per hour).

We are pleased to announce the inclusion of a CICO (Can't Intubate Can't Oxygenate) Workshop in to the program. Dr Freya Aaskov will run the CICO workshop so it's the perfect chance to secure your CPD emergency response credits while you're here.

The workshop is limited to a small group only to ensure social distancing and maximum time with the instructors and equipment, so register early to avoid missing out. An early bird registration fee is available until 31 December 2020. The registration fee includes welcome drinks on Thursday 22 July, attendance at the workshop on Friday and Saturday (including afternoon refreshments) and a workshop dinner on the Saturday evening.

Accommodation is not included in the registration fee, however, Thredbo Village has a vast range of accommodation options including at the workshop venue, Thredbo Alpine Hotel, which offers double/twin rooms or apartments. If you wish to stay at the workshop venue it is advisable to book early. Information about accommodation, skiing, lift tickets, ski classes, baby-sitting and so on is available on the Thredbo website, [www.thredbo.com.au](http://www.thredbo.com.au).

Event details and online registration can be found on the ANZCA ACT webpage, or register by completing the form.

I look forward to welcoming you to our workshop in 2021.

**Dr Ross Peake**  
Convenor
