

## **Pain Trainee (unaccredited) for Private Pain Clinic. August 2021-January 2022**

Frankston Pain Management (FPM) is a private pain clinic caring for patients with acute and chronic pain on the Frankston/Mornington Peninsula in South East Melbourne. FPM operates as part of a collaborative network of providers to ensure comprehensive care. FPM integrates interventional techniques with comprehensive medical management, physical rehabilitation and cognitive behavioural therapy.

Frankston Pain Management is seeking a compassionate, enthusiastic doctor to join the pain management team. The individual must be eligible for full registration with the Medical Board of Australia. The successful candidate will hold a recognized fellowship and be able to obtain a Medicare provider number.

Please note FPMx has obtained accreditation from the Faculty of Pain Medicine for Year 2 professional development stage training. The post will provide unaccredited training if the candidate has not completed Year 1 "Core" Pain Medicine training.

We have an established referral base. We are flexible with work hours to suit your needs. We would also welcome any Fellow, or those with a special interest in medical, rehabilitation, psychiatry or interventional management.

Mentoring and skill development, including interventional pain management is available.

Start date: August 2021      End Date: 31/1/2022

Please see [www.fpmx.com.au](http://www.fpmx.com.au) for more information regarding the clinic.

Please email Dr Murray Taverner at [mgtaverner@gmail.com](mailto:mgtaverner@gmail.com) for more information

## **Living on the Mornington Peninsula**

The Mornington Peninsula is a wonderful place to live...

There are excellent schools and recreational facilities. The Mornington Peninsula claims Victoria's highest concentration of attractions and leisure activities, which provide days of entertainment, even when the sun does not shine. The Peninsula offers wineries, farmgate food, gardens, beautiful beaches, spas and an enviable lifestyle. The Mornington Peninsula's coastal scenery varies enormously. Down the western shores are the Port Phillip Bay beaches. Port Phillip Bay is also home to colonies of seals and pods of bottle-nosed dolphins. Along the foot are the dunes and steep cliffs of the Cape Schanck National Park, while Western Port Bay has a relatively unspoiled foreshore and quiet villages, where the peace contrasts with the bubbling holiday atmosphere on the other side of the Peninsula. The Mornington Peninsula is one of Australia's newest and most exciting wine regions. Whenever you travel on the Peninsula, you cannot fail to notice the vines of more than 150 vineyards that are an integral part of its rich scenic appeal. Food lovers will enjoy the Wine Food Farmgate Trail. Victoria's greatest concentration of quality golf courses can also be found in the region. The sand base of most of them means they are playable all year round. Four of them are rated in Australia's top 100.

Frankston has long been Melbourne's favourite family playground, offering the best beaches, beautiful parks and gardens, and endless opportunities for having fun. Frankston is a mere 40 kilometres south of Melbourne and, with easy freeway access, is less than an hour's drive from Melbourne. Frankston is often referred to as the gateway to the Mornington Peninsula and there is an abundance of things to do and places to visit. Public transport is easily accessible. Shopping centres house major department stores and hundreds of specialty and fashion stores. There are also plenty of summer and winter activities for all the family in Frankston. Water or land based sports, a stroll in the beautiful botanic gardens or bush settings, taking in historic properties, cinema, disco and club nightlife, foods from all nations. The many restaurants offer the widest cuisine imaginable including Chinese, Greek, Japanese, Indian, English Tea Rooms, Mexican and Italian just to mention a few.
