-  ERAS

We take great pleasure in inviting you to the Australian ERAS+ & 2024 World Congress of Prehabilitation and Perioperative Medicine Conference which merges the critical fields of prehabilitation and enhanced recovery after surgery (ERAS) into a single, integrated platform that spans the perioperative period. This unique blend aims to elevate patient outcomes post-surgery through addressing modifiable risks and reducing clinical care variability.

The focus will be on prehabilitation, highlighting strategies to reduce patient-related modifiable risk, and ERAS strategies to reduce variability in clinical care.
