

Pain Medicine Specialist

Private Practice

Location: South Western Sydney

State: NSW

Country: AUSTRALIA

Description: An exciting opportunity is available for a pain specialist to join our physician-based practice with allied health support in the South Western region of Sydney. We are an established practice with an established patient and referral base, in the fastest population growth region in Sydney.

We provide full administrative support, along with mentorship for doctors new to private practice. Work hours are flexible and this position is suitable for a pain specialist seeking part-time private practice in our area.

Closing date: 31.10.2020
