

# SCAN AND SKI 2024

Regional ultrasound scanning  
workshop for peripheral nerve blocks

Thredbo Alpine Hotel, Thredbo, NSW

30 July – 1 August (Group 1)

1 – 3 August (Group 2)

## Program

Join us at the 2024 Scan and Ski Workshop from 30 July – 1 August (Group 1) and 1 – 3 August (Group 2) at Thredbo Alpine Hotel in the Kosciuszko National Park.

The workshop will feature ultrasound specialists Dr Ross Peake, Dr Peter Hebbard, Dr Chris Mitchell, Dr Andrew Lansdown, Dr Libby McLellan, Dr Brad Lawther, Dr Katrina Webster and Dr Harmeet Aneja. Hands-on ultrasound scanning and instruction will be held in morning and evening sessions leaving the middle of each day free for skiing or sightseeing in the beautiful NSW Snowy Mountains. The workshop will cover upper limb blocks, lower limb blocks, trunk and spinal blocks, among other topics. Participants in the ANZCA and FPM Continuing Professional Development Program can claim the workshop under the knowledge and skills category (workshops – two credits per hour).

We are pleased to announce the inclusion of a CICO (Can't Intubate Can't Oxygenate) Workshop in to the program. Dr Freya Aaskov will run the CICO workshop so it's the perfect chance to secure your CPD emergency response credits while you're here.

The workshop is limited to small groups only to ensure maximum time with the instructors and equipment, so register early to avoid missing out. The registration fee includes welcome drinks, attendance at the workshop over two days (including afternoon refreshments) and a workshop dinner. Please note that Group 2 places (1 - 3 August) have already SOLD OUT but there are still places available in Group 1 (30 July - 1 August).

Accommodation is not included in the registration fee, however Thredbo Village has a vast range of accommodation options including at the workshop venue, Thredbo Alpine Hotel. If you wish to stay at the workshop venue it is advisable to book early. Information about accommodation, skiing, lift tickets, ski classes, baby-sitting etc. is available on the Thredbo website [www.thredbo.com.au](http://www.thredbo.com.au).

Event details and online registration can be found on the ANZCA ACT webpage, or register by completing the form overleaf.

I look forward to welcoming you to our workshop in 2024.

**Dr Ross Peake and Dr Vaughn Oerder**  
**Co-Convenors**
