Consultant – Pain Medicine

Fiona Stanley Fremantle Hospital Group, WA Health

Western Australia, Australia

We currently have a Fixed Term appointment until 31 January 2021. This is available as a Full Time, Part Time or Sessional appointment with negotiable hours to fill a vacancy totalling 1.0 FTE (Full Time Equivalent).

As part of a multidisciplinary team, this role leads the provision of pain medicine services to patients. You will promote personalised, safe and timely care. You will lead and promote the organisational culture of commitment, accountability, respect and excellence. You will actively address clinical risks and delays in patient care for individual patients. You will educate and supervise junior medical staff and other health workers. You will also work with the Head of Specialty and other consultants to achieve national performance outcomes and to meet the National Safety and Quality Health Services Standards.
