

Specialist Anaesthetist Opportunity

Grow Your Career with Cairns Anaesthetic Group (CAG)
Cairns, Queensland, Australia

Are you a Specialist Anaesthetist seeking a thriving private practice in a tropical paradise? Cairns Anaesthetic Group (CAG) invites applications from qualified specialists (FANZCA or equivalent) for an exciting opportunity to join our busy and collaborative team.

This role offers more than just a career—it's a chance to achieve the **perfect balance between professional success and a great lifestyle**. With leadership growth potential this position is ideal for anaesthetists looking to shape their future while enjoying an unbeatable quality of life.

Why Choose Cairns Anaesthetic Group (CAG)?

CAG is a respected group of approximately 30 members providing exceptional anaesthetic services to **four private hospital facilities** in Cairns. Our members work on a **full fee-for-service basis**, supported by CAG's expert coordination, rostering, and post-billing administrative services.

The Role:

- **Full-Time Specialist Private Anaesthetic Practice** in a dynamic and varied group.
- **Diverse Caseload:** Predominantly orthopaedics and general surgery (including robotic surgery), with opportunities in plastics, ENT, urology, and more. (Excludes cardiothoracic, neurosurgery, and obstetrics.)
- **OnCall:** Minimal after hours work and a very manageable schedule.
- **Career Growth:** The role offers the opportunity to develop leadership skills and potentially progress to a Deputy **Director** position within CAG.

Why Live and Work in Cairns?

Cairns is a thriving regional city that offers the ultimate **work-life balance**. Imagine finishing your day in the operating room and stepping straight into a tropical playground filled with **stunning natural beauty and endless adventures**.

- **Outdoor Lifestyle:** World-class water activities on the Great Barrier Reef, lush rainforests, pristine lakes, and nearby outback destinations.
- **Convenient Connectivity:** Direct international flights from Cairns International Airport connect you to the world.
- **Modern Amenities:** Top-tier education with multiple secondary and tertiary schools, plus James Cook University featuring medical, law, and engineering faculties.

- **Vibrant Culture:** Regular cultural events, live music, and a bustling food and entertainment scene.

With a local population of ~160,000 and a service area of ~150,000 more, Cairns offers all the advantages of a major city while retaining its laid-back, friendly atmosphere.

Who We're Looking For

- Specialist Anaesthetist with **FANZCA or equivalent qualifications**.
- Self-motivated and ready to thrive in a private practice environment.
- Unfortunately, **CAG cannot provide sponsorship for visas** or supervision for partially qualified candidates.

What We Offer

- The opportunity to **grow your career**, including pathways to leadership roles within **CAG**.
- A supportive, collaborative group environment with a strong administrative backbone.
- The chance to live in one of the **most beautiful and desirable locations in the world**, with a lifestyle perfect for individuals and families alike.
