

Thursday 3 August

7.45-8am	Morning tea on arrival – Anaesthesia Research Coordinators Network (ARCN) Sub-committee	<i>Experience Gallery (Lower ground level), Crowne Plaza Sydney Coogee Beach</i>
8-10.45am	ARCN Sub-committee strategic planning session (closed meeting)	<i>Maroubra room</i>
10.30-11am	Morning tea	<i>Experience Gallery (Lower ground level), Crowne Plaza Sydney Coogee Beach</i>
11am-1pm	CTN Executive strategic planning session (closed meeting)	<i>Maroubra room</i>
5.30pm	New research coordinators meet and greet	<i>Hotel lobby, Crowne Plaza Sydney Coogee Beach</i>
6-8pm	ARCN networking dinner <i>Estate Terrace, Crowne Plaza Sydney Coogee Beach</i>	

Friday 4 August

8-8.45am	Registration, networking and coffee <i>Experience Gallery</i>	
8.45-10am	Plenary session 1: Keynote presentations <i>Centennial Room</i>	<i>Co-chairs: Professor Tomás Corcoran (WA) and Professor Andrew Davidson (Vic)</i>
	Welcome	<i>Professor Tomás Corcoran (WA)</i>
	Embracing complexity in adaptive trials	<i>Dr Julie Marsh (WA)</i>
	Adaptive platform trials: A system to determine optimal treatment	<i>Professor Steve Webb (WA)</i>
10-10.30am	Morning tea <i>Experience Gallery</i>	
10.30am-12pm	Plenary session 2: New proposals part one <i>Centennial Room</i>	<i>Co-chairs: Associate Professor Andrew Toner and Professor Britta Regli-von Ungern (WA)</i>
	Dexmedetomidine in cardiac surgical Intraoperative drug evaluation (DECIDE)	<i>Professor Robert Sanders (NSW)</i>
	A prospective angiotensin vs. noradrenaline trial for hypotension management to reduce length of hospital stay in cardiac surgery (the PORTHOS study)	<i>Dr Tim Coulson (Vic)</i>
	Preserving brain health after surgery: does light general anaesthesia reduce postoperative delirium and cognitive decline compared with deep general anaesthesia in older adults? The Balanced-2 Study	<i>Dr Carolyn Deng (NZ)</i>
	The pressure field: a software-based model for optimisation of the adult circulation during surgery (SMOACS)	<i>Dr Stephen Woodford (Vic)</i>
	Hospital operating theatre randomised oxygen study (HOT-ROX)	<i>Dr Daniel Frei (NZ)</i>

Friday 4 August continued

12-12.50pm	Lunch break <i>Experience Gallery</i>	
12.50-2.40pm	Plenary session 3: Trials and tribulations <i>Centennial Room</i>	<i>Co-chairs: Professor Kate Leslie AO FAHMS and Professor Andrew Davidson (Vic)</i>
	Part 1: Global trials – Strategies to run trials in overseas sites	
	Introduction	<i>Professor Andrew Davidson (Vic)</i>
	TRICS-IV	<i>Professor David Scott (Vic)</i>
	LOLIPOP	<i>A/Prof Andrew Toner (WA)</i>
	VAPOR-C	<i>Dr Julia Dubowitz (Vic)</i>
	ITACS	<i>Ms Sophie Wallace (Vic)</i>
	MASTERSTROKE	<i>Dr Doug Campbell (NZ)</i>
	Discussion	<i>All</i>
	Part 2: Navigating obstacles on the road to success	
	TRIGS	<i>Professor Paul Myles (Vic)</i>
	CALIPSO	<i>Professor Trisha Peel (Vic)</i>
	ROCKeT	<i>Professor Philip Peyton (Vic)</i>
	VAPOR-C	<i>Dr Julia Dubowitz (Vic)</i>
	LOLIPOP	<i>Professor Tomás Corcoran (WA) and Ms Gill Ormond (Vic)</i>
	The funding landscape – An MRFF perspective	<i>Dr Masha Somi (ACT)</i>
	Panel discussion	<i>All</i>
2.40-3.10pm	Afternoon tea break <i>Experience Gallery</i>	
3.10-3.45pm	Plenary session 4: Funding, resources and networking opportunities <i>Centennial Room</i>	<i>Chair: Dr Carolyn Deng (NZ)</i>
	ANZCA resources, funding opportunities and foundation update	<i>Mr Rob Packer (Vic)</i>
	Australian funding opportunities	<i>Ms Paige Druce (Vic)</i>
	NZ funding opportunities and challenges and considerations for running trials in NZ	<i>Professor Tim Short (NZ)</i>
	Networking and collaboration opportunities	
	Paediatric research	<i>Dr Aine Sommerfield (WA)</i>
	Pain research	<i>Professor Paul Glare (NSW)</i>
	Perioperative medicine	<i>A/Prof David Highton (Qld)</i>
	NARCONET and trainee networks	<i>Dr Ben Moran (NSW)</i>

Friday 4 August continued

3.55-4.45pm	Plenary session 5: Real life research scenarios workshop <i>Centennial Room</i>	<i>Co-chairs: Ms Dhiraj Bhatia Dwivedi, Ms Gill Ormond and Ms Paige Druce (Vic)</i>
	Paediatrics: Lost in translation	<i>Dr Aine Sommerfield, Mrs Lliana Slevin, Ms Julie Nguyen, Ms Daisy Evans (WA)</i>
	Rural and remote: The phone reception is a bit dodgy in Weipa	<i>Ms Natasha Pearson (Vic), Ms Tiki Baker-Pearson (Qld) and Ms Tracy Hess (Qld)</i>
	Informed consent: When a patient appears unable to say 'no thanks'	<i>Ms Margie McKellow, Mr Jonathan Termaat and Mr Caleb Kimberley (NZ)</i>
	Are we on the same page? – A common challenge of informed consent	<i>Ms Robyn Seale (Tas) and Ms Louise Cope (NSW)</i>
4.45-7.30pm	Welcome reception <i>Shutters Restaurant and Terrace</i>	

Saturday 5 August

8-8.30am	Networking and coffee	
8.30-9.45am	Plenary session 6: Keynote presentations – Adaptive platform trials <i>Centennial room</i>	<i>Co-chairs: Dr Doug Campbell (NZ) and Dr Ben Moran (NSW)</i>
	A practical guide to planning an adaptive platform trial	<i>Professor Steve Webb (WA)</i>
	Unpacking the statistical black box in platform trials	<i>Dr Julie Marsh (WA)</i>
	Platform trials in anaesthesia – What's happening?	<i>Professor Paul Myles (Vic)</i>
	Q&A	
9.45-10.15am	Morning tea	
10.15am-12.05pm	Plenary session 7: New proposals part two <i>Centennial room</i>	<i>Co-chairs: Professor Michael Reade and Ms Allison Kearney (Qld)</i>
	Machine learning model to predict postoperative hypotension	<i>Dr Halia O'Shea (Qld)</i>
	Myocardial injury in non-cardiac surgery management with dapagliflozin and dual antiplatelet therapy	<i>A/Prof Jonathan Fanning (Qld)</i>
	PostIT: a randomised controlled trial of postoperative intravenous iron for the treatment of anaemia after major abdominal surgery	<i>A/Prof Lachlan Miles (Vic)</i>
	A pilot randomised controlled trial for a digitally-driven prehabilitation program in frail patients undergoing joint arthroplasty	<i>Dr Belinda Philips (Vic)</i>
	Best anaesthesia for tonsillectomy trial (BAT Trial)	<i>A/Prof Paul Lee Archer (Qld)</i>
	Pilot randomised controlled trial of early versus late extubation following orthotopic liver transplantation	<i>Dr Tom Fernandez (NZ)</i>
12.05-1pm	Lunch break	

Saturday 5 August continued

1-2.25pm	Plenary session 8: Repairing our COVID-damaged network <i>Centennial room</i>	<i>Co-chairs: Ms Sam Bates (Vic) and Professor Tomás Corcoran (WA)</i>
	ARCN and CTN business meeting: The state of the network address	<i>Ms Karen Goulding (Vic), Ms Allison Kearney (Qld) and Professor Andrew Davidson (Vic)</i>
	Rural and regional strategy	<i>Dr Suresh Singaravelu (Qld)</i>
	The ANZCA research vision	<i>Professor David Story (Vic)</i>
	Australian Clinical Trial Alliance update	<i>Professor Steve Webb (WA)</i>
	Discussion on strategy at network level	<i>Ms Anne O'Neill (NSW), Ms Allison Kearney (Qld), Professor Andrew Davidson (Vic), Professor Steve Webb (WA), Professor David Story (Vic)</i>
2.25-2.55pm	Afternoon tea	
2.55-3.50pm	Plenary 9: Building research departments – Recipes for success <i>Centennial room</i>	<i>Co-chairs: Dr David Highton (Qld) and Dr Belinda Philips (Vic)</i>
	St George Hospital (NSW)	<i>Honorary Associate Clinical Professor Natalie Smith (NSW)</i>
	Royal Northshore Hospital (NSW)	<i>Associate Professor Matt Doane (NSW)</i>
	Wellington Hospital (NZ)	<i>Dr Daniel Frei (NZ)</i>
	Townsville Hospital (QLD)	<i>Ms Tiki Baker-Pearson (Qld)</i>
	Mackay Base Hospital (QLD)	<i>Dr Eloise Dignan and Ms Tracy Hess (Qld)</i>
	Panel discussion – Building research departments	<i>All speakers</i>
4-5pm	Plenary 10: Start up meeting – SNaPP <i>Centennial room</i>	<i>Chair: Professor Kate Leslie AO FAHMS (Vic)</i>
		<i>Speakers: Professor Kate Leslie AO FAHMS, A/Prof Jai Darvall and Ms Sofia Sidiropoulos (Vic)</i>
6.30-10.30pm	Conference dinner <i>Coogee Surf Life Saving Club</i>	

Sunday 6 August

7.45-8.45am	Emerging investigators networking breakfast <i>Experience Gallery</i>	<i>Dr Jennifer Reilly (Vic) - host</i>
8.45-9.15am	Networking and morning tea on arrival <i>Experience Gallery</i>	
9.15-11.30am	Plenary session 11: The future focus of perioperative research <i>Centennial room</i>	
	Part 1: Emerging priorities	Co-chairs: Associate Professor Lis Evered (USA) and Associate Professor Stefan Dieleman (NSW)
	Adult perioperative medicine	<i>Professor Tomás Corcoran (WA)</i>
	Consumer priorities and engagement in perioperative medicine	<i>Ms Sophie Wallace (Vic)</i>
	The patient at the centre – engaging with consumers of all ages	<i>Professor Britta Regli-von Ungern (WA)</i>
	Introducing the FPM Research Network	<i>Professor Paul Glare (NSW)</i>
	Q&A	
	Part 2: Emerging technologies	Co-chairs: Professor Philip Peyton (Vic) and Professor Tomás Corcoran (WA)
	Registry based clinical trials	<i>Associate Professor Stefan Dieleman (NSW)</i>
	Genomics and epigenomics – Exploration and clinical translation	<i>Dr Chris Bain (Vic)</i>
	Biomarkers, omics, biobanking	<i>Associate Professor Lis Evered (USA)</i>
	Anaesthesia 4.0	<i>Dr Halia O'Shea (Qld)</i>
	Q&A	
	Closing address	<i>Professor Tomás Corcoran (WA)</i>
11.30am-12pm	Lunch <i>Experience Gallery</i>
