

Request to place SIMG assessment process on hold

All SIMGs may request to put their SIMG assessment process on hold for a duration of continuous or cumulative interruption which must not normally exceed a total of 12 months. All such requests must be approved by the Director of Professional Affairs (DPA) SIMG.

Please note that while your process is on hold you are not able to work towards any of your requirements (you cannot apply to sit the exam, undertake a WBA, have an EMAC course credited or count CPA time etc.). Requests to consider an on hold period retrospectively will only be considered if the date of application falls within the on hold period.
