

## Specialist 1-5 – Anaesthetist

**ACT**  
Government

**Canberra Health  
Services**

### **A growing service with exciting opportunities**

- **Great location and lifestyle**
- **Free parking and easy commuting**
- **An attractive remuneration package will be negotiated**

Canberra Health Services are looking for enthusiastic and experienced Anaesthetists to assist in meeting the ever-increasing service demand of a swiftly growing population. We are seeking anaesthetists who are eager to learn and those who are engaged to grow the next generation of anaesthetists as we expand our service into the Surgical Procedures, Interventional, Radiological and Emergency (SPIRE) precinct which is due to open on the main Canberra campus in 2024.

Learn more about SPIRE go to [www.health.act.gov.au/about-our-health-system/planning-future/spire-project](http://www.health.act.gov.au/about-our-health-system/planning-future/spire-project)

Applications are invited for this position from AHPRA registered medical practitioners with ANZCA or equivalent specialist qualifications.

**Applications close: 14 May 2021**
